INVESTING IN THE INSTITUTE FOR SPORT COACHING

Over the past three years, the Institute has positively impacted an estimated 15,000 youth athletes by training 750 coaches in the metro Boston area through our Metro Boston Coaches Academy. Now we are expanding our service area to include all of eastern Massachusetts out to Worcester, and creating a Mid Atlantic Coaches Academy to serve the Baltimore-District of Columbia metro area.

We recently received a \$10,000 challenge grant from the Amelia Peabody Foundation. If we raise \$10,000 by September 15th, then they will grant us \$10,000 to fund our good work in Massachusetts. We need your help in reaching that \$10,000 goal.

Select your pledge amount - \$25, \$50, \$100, \$250, \$500, or more and become part of the Institute's campaign to deliver positive sports experiences to America's youth via quality coaches.
